

A GUIDE IN A FEW STEPS

Reservation

1. Choose your camper and date
2. Pay 30% deposit for your reservation
3. Before picking up the camper (no later than on the day of pick-up), pay the rest of the rental fee and the deposit.

Pick-up and return of the camper

1. Pick-up of the vehicle at the time agreed in the rental agreement
2. Return of the vehicle by the time agreed in the rental agreement

The camper you are renting is:

- * washed outside
- * cleaned up inside
- * has a clean toilet and fluid

Return the vehicle in the same condition.

We can clean for you according to the price list for additional services.

Before traveling:

1. Please set aside 15 minutes before departure for your training briefing.
2. Check the condition of the car and equipment (protocol).
3. Sign the contract and attachments and set off on your journey.

While traveling:

1. Observe the proper functioning of the car and other systems in the camper (including fluid levels, oil, etc.)
2. Report any damage to equipment or faults to the Lessor immediately.
3. Remember that after you, others also want to use a well-functioning camper,
- in the event of a collision or accident, follow the attached instructions.
